

Halo Of Fireflies
Mt. Desolation

Intro:

C, F, C, F

C **C7** **F** **Fm**
Born in a barn by a lake made of whiskey.

C **G** **C** **G7**
A girl with a halo made of fireflies.

C **C7** **F** **Fm**
She married me by the moonlight in Athens,

C **G** **C** **G7**
And we drove away to see the world.

F **C** **G** **F**
I ve seen a moth by the light and he won t die without a fight.

F **C** **G** **F**
But like a moth seeks the sun, he never knows if there is one.

Fm **C** **F**
But keeps on looking anyway.

Call me a cab cause I m drunk and I m lonely
and I know it s time for me to go on home.
Don t wait for me at the end of the party
cause I won t be there.

I ve seen a moth by the light and he won t die without a fight.
And like the moth I don t know just where the hell I m supposed to go
but I ll keep looking anyway.

Interlude of Verse chords.

So in my dreams I can tell you about her
and the way that we spend our lives in happiness.
Down in a barn by a lake made of whiskey.
With a girl with a halo made of fireflies.
