Tabbed by: Vincenzo

Key of C# major

If it s too difficult just traspose it one half step down ;)

C# F# C#
Morning wears a veil of rain
F# C# G#
above the city I live in

C# F# C#
The trafficâ€™s edging forward again
F# C# G#
But no-one knows where theyâ€™re going

C# F# C#
Could it be a sign of our affairs
G#
Im seeing

C# F# C#
Cause weâ€™ll still be here
F# C# G#
When weather turns, and blue skies reappear
C# F# C#
And youâ€™re crestfallen
F# C# G#
Well you climb Mt. Desolation yet again
F# C# G#
And you find weâ€™re all just ordinary men.

Solo: C# F# A#m - C# G# A#m

Like verse 1
Find some comfort in a bar and hear the news from my brother
He tore his happiness apart and says his heart wonâ€™t recover
Is this just a sign of our affairs
Iâ€™m seeing?
Cause weâ€™ll still be here
When weather turns, and blue skies reappear
When youâ€™re crestfallen
You climb Mt. Desolation yet again
And you find weâ€™re all just ordinary men
