Aaah-ah, What a good teacher with what I ve gotta be more careful
You are so beautiful; it s terrible
But if you don t want the truth, get someone to tell you a lie
All I have is my truth; watch it fall from my eyes

Ohh-ah-oh, I am not animal, girl I don t need to mate
Nor am I a robot; I will not calculate

Aaah, We ll play games; I m not insecure for

Oh and, every girl you are with, he said,
She ll take a piece of your soul
Every girl you are with, he said,
She ll take a piece of your soul
