

Sado  
Mt. Joy

[Verse 1]

**D** **Dmaj7**  
Sado potato ate a raw tomato  
**Em** **G**  
In the back yard of our first garden  
**D** **Dmaj7**  
And I didn't know that we could argue over  
**Em** **G**  
Small shit for so long

[Chorus]

**D** **Dmaj7**  
Oh Eli - za  
**Em** **G**  
I'm good 'n' gone, I'm good 'n' gone  
**D** **Dmaj7**  
Oh Eli - za  
**Em** **G**  
She moving on, she moving on

[Verse 2]

**D** **Dmaj7**  
Sado potato ate that raw tomato  
**Em** **A**  
And I don't know if they still grow  
**D** **Dmaj7**  
In the old home we were supposed to  
**Em** **A**  
Get old in

[Verse 3]

**D** **Dmaj7**  
But the last time  
**Em** **G**  
I saw you  
**D** **Dmaj7**  
You know that I get choked up when it's time gone  
**Em** **G**  
Cause she said onward and upward

[Chorus]

**D** **Dmaj7**  
Oh Eli - za  
**Em** **G**  
I'm good 'n' gone, I'm good 'n' gone
