

**Hollywood Ending**  
**Mötley Crüe**

Intro E D A x2

**E**

Did you want it this way

**G#**                    **A**                    **Am**

Breaking us down a little bit at a time

**E**                    **G#**

Is it easier now that I m not around

**A**                    **Am**

Oh is it time to draw the line

**F#**

We don t have to pretend

**A**

Ya got your Hollywood ending

Chorus

E D A x2

**E**

Leave it to me

**G#**                    **A**                    **Am**

To act like a fool begging you to come back

**E**                    **G#**

When I had you I had everything

**A**                    **Am**

Now all I have is this photograph

**F#**

There s nothing here to defend

**A**

it s not a Hollywood ending

Chorus E D A x4]

Another hollywood ending(4x)

**F#**                    **D**

Well you don t have to go

**E**

Oh you don t have to go

**B**

You could ve been the star of

My show anytime

**F#**                    **D A**

No, you don t have to go

E D A x4

**E**

I called on the phone

**G#**

Came by your home

**A**                    **Am**

To find out that you re not alone

**F#**

Now we don t have to pretend

**A**

That it s a Hollywood ending
