

**Wild Eyes**  
**Mudcrutch**

INTRO G for 2 bars (pause for beats 3 and 4 of 2nd bar)

VERSE 1

N.C. G  
You used to look wild eyed  
F#m B Em  
back when there was mystery in your smile  
A D  
seems so hungry and deprived  
G  
Oh you played the toast lie  
F#m B Em  
the way you made it seem so do or die  
A D  
you used to try to live your life so high

CHORUS

C D G  
and i don t make no, see the sky  
C D G G/F# Em D  
cause you re hard to recognize without those wild wild eyes  
C D G  
now you re just a captive inside

INTERLUDE

C B G  
Remember when we used to say, how time can fade away  
C Em  
it s now a silly complicate words can only hunt for names  
A D C Bm Am  
wonder if we re still the same, wonder if we re still the same inside

VERSE 2

G  
Oh you had a long ride  
F#m B Em  
with me you re neither restless and consigned  
A D  
because you had to leave so much behind  
G  
And you used to look wild eyed  
F#m B Em  
back when there was mystery in your smile  
A D

you seem so hungry so deprived

# CHORUS

**C**                  **D**                  **G**  
But that don t make no, see the sky  
                  **C**                  **D**                                  **G**      **G/F#** **Em**      **D**  
cause your hard to recognize without those wild wild eyes  
**C**                                  **D**                  **G**  
Now you re just a captive inside

INTERLUDE AGAIN WITH GTR SOLO

CHORUS WITH LAST LINE REPEATED

\* my first and last contribution
