I don t feel good, just an ordinary day
I don t care much, about what you think
A9 G
It all washes away, in the end
A9 G
Under skies so gray, in the end
Em G C9 A9
We re all dead inside, can t deny what is real, the pain I feel
Em G C9
Dead inside, can t deny, always suffering
A9
It s just my way

(riff)

I ve seen enough, no more hurt today
All damage is done, no more life this way
A9 G
It all washes away, in the end
A9 G
Under skies so gray, in the end
Em G C9 A9
We re all dead inside, can t deny what is real, the pain I feel
Em G C9
Dead inside, can t deny, always suffering

A9

D4 A9 Em
Every single one, from every single way
D4 A9 C9
All they do is drag me down and I know it ll never change

Every drop of blood, flows right down the drain
D4 A9 C9 G
And though I spilled it all for you, you never appreciate
C9 G Em
You never appreciate, we re all

Em G C9 A9
Dead inside, can t deny what is real, the pain I feel
Em G C9
Dead inside, can t deny, always suffering

A9
It s just my way (2x)
