

Forever  
Mumford & Sons

[Primeira Parte]

**G**  
I know I've had you troubled  
**D** **Em**  
And I know I've seared your mind  
**C** **G**  
But you know that I love you  
**Em** **D**  
And that our love's not blind  
**G**  
I'm sure my dreams lie with you  
**D** **Em**  
But I've many more beside  
**C** **G**  
And if I can't see them through  
**Em** **D**  
Our love will slowly die

[Pré-Refrão]

**Em** **C** **G**  
So if you doubt for the time that you're spending  
**Em** **C** **G**  
And if you doubt for the love in your heart  
**D** **C** **Em** **C**  
Think of London and the girl you're returning  
**G** **D** **G** **D**  
And the days you defend will turn to gold

[Refrão]

**G**  
So love with your eyes  
**D**  
Love with your mind  
**Em**  
Love with your-  
**C** **G** **D**  
Dare I say forever  
**G**  
Do it for yourself  
**D**  
Do it for the girl  
**Em**  
Do it for you  
**C** **G** **D**

Dare I say forever

[Segunda Parte]

**G**  
And I've known pious women  
**D** **Em**  
Who have led such secret lives  
**C** **G**  
Shameless in the dark  
**Em** **D**  
So shameful in the light  
**G**  
But you may not be pious  
**D** **Em**  
And I may not be saved  
**C** **G**  
But we could live quite happily  
**Em** **D**  
And quietly unfazed

[Pré-Refrão]

**Em** **C** **G**  
So if you doubt for the time that you're spending  
**Em** **C** **G**  
And if you doubt for the love in your heart  
**D** **C** **Em** **C**  
Think of London and the girl you're returning  
**G** **D** **G** **D**  
And the days you defend will turn to gold

[Refrão]

**G**  
So love with your eyes  
**D**  
Love with your mind  
**Em**  
Love with your-  
**C** **G** **D**  
Dare I say forever  
**G**  
Do it for yourself  
**D**  
Do it for the girl  
**Em**  
Do it for you  
**C** **G** **D**  
Dare I say forever

[Ponte]

**Em** **C** **G**

I was dreaming of the Liffey

**Em C G**

I was thinking of the Thames

**Em C G**

And now the East river flows by to the same end

**D C D**

Are we too sentimental to not look back and sta-a-are

[Refrão]

**G**

So love with your eyes

**D**

Love with your mind

**Em**

Love with your-

**C G D**

Dare I say forever

**G**

Do it for yourself

Do it for the girl

Do it for you

Dare I say forever
