

Winter Winds
Mumford & Sons

D A Bm G
As the winter winds litter London with lonely hearts
D A Bm G
Oh the warmth in your eyes swept me into your arms
D A Bm G
Was it love or fear of the cold that led us through the night?
D A Bm G
For every kiss your beauty trumped my doubt

G D
And my head told my heart
G D A
Let love grow
G D
But my heart told my head
G D A
This time no this time no

D A Bm G
We ll be washed and buried one day my girl
D A Bm G
And the time we were given will be left for the world
D A Bm G
The flesh that lived and loved will be eaten by plague
D A Bm G
So let the memories be good for those who stay

G D
And my head told my heart
G D A
Let love grow
G D
But my heart told my head
G D A
This time no
G D
Yes, my heart told my head
G D A
This time no
G D
This time no

D A Bm G
Oh the shame that sent me off from the God that I once loved
D A G
Was the same that sent me into your arms
D A Bm G

Oh and pestilence is won when you are lost and I am gone

D A G

And no hope, no hope will overcome

D A Bm G

And if your strife strikes at your sleep

D A Bm G

Remember spring swaps snow for leaves

D A Bm G

You ll be happy and wholesome again

D A Bm G

When the city clears and sun ascends

G D

And my head told my heart

G D A

Let love grow

G D

But my heart told my head

G D A

This time no

G D

And my head told my heart

G D A

Let love grow

G D

But my heart told my head

G D A G D

This time no, this time no
