

Believe

Mumford & Sons

Bm

You may call it this evening

A

But you ve only lost the night

Bm

Present all your pretty feelings

A

May they comfort you tonight

Bm

And I m climbing over something

A

And I m running through these walls

G

I don t even know if I believe

Bm

I don t even know if I believe

D9

I don t even know if I believe

A

Everything you re trying to say to me

(**Bm A**) 2x

Bm

I had the strangest feeling

A

Your world s not what it seems

Bm

So tired of misconceiving

A

What else this could ve been

G

I don t even know if I believe

D9

I don t even know if I believe

Bm

I don t even know if I believe

A

Everything you re trying to say to me

G

So open up my eyes

D9

Tell me I m alive

Bm

This is never gonna go our way

A

If I m gonna have to guess what s on your mind

(**G Bm D9 B9**)

G

Say something, say something

Bm

Something like you love me

D9

Less you want to move away

B9

From the noise of this place

G

I don t even know if I believe

D9

I don t even know if I believe

Bm

I don t even know if I wanna believe

A

Everything you re trying to say to me

G

So open up my eyes

D9

Tell me I m alive

Bm

This is never gonna go our way

A

If I m gonna have to guess what s on your mind

G

So open up my eyes

D

Tell me I m alive

Bm

This is never gonna go our way
