[Verse]

Em

Touch my mouth and hold my tongue

Iâ€™ll never be your chosen one

C

Iâ€™ll be home, safe and tucked away

C

Em

You canâ€™t tempt me if I donâ€™t see the day

Em

The pull on my flesh was just too strong

It stifles the choice and the air in my lungs

C

Em

better not to breathe than to breathe a lie

C

Em

cause when I open my body I breathe a lie

Em D C Bm D/E G Am D Em

(E pedal in bass)

[Chorus]

C Em D Em D Em

I will not speak of your sin

there was a way out for him

the mirror shows not

your values are all shot

[Post-Chorus]

Em D Em D Em G C

But oh, my heart was flawed I knew my weakness

Em D Em D Em G C

So hold my hand, consign me not to darkness.

Em D C Bm D/E G Am D Em

[Verse]

Crawl on my belly 'til the sun goes down
I'll never wear your broken crown
I took the road and I fucked it all away.
Now in this twilight how dare you speak of grace.

So, crawl on my belly until the sun goes down
I'll never wear your broken crown
I took the road and I fucked it all away.
Now in this twilight how dare you speak of grace.

[Instrumental interlude]

C D Em G D Em

[Verse]

So, crawl on my belly until the sun goes down
I'll never wear your broken crown
I can take the road and I can fuck it all away.
But in this twilight our choices seal our fate.
