

Forever

Mumford & Sons

[Intro] C G Am F C

C

I know I've had you troubled

F

Am

And I know I've seared your mind

Am

C

But you know that I love you

F

G

And that our love's not blind

C

I'm sure my dreams lie with you

F

Am

But I've many more beside

Am

C

And if I can't see them through

F

G

My love will slowly die

Am

F

C

But if you doubt for the time that you're spending

Am

F

C

And if you doubt for the love in your heart

G

F

C

F

Think of London and the girl you're turning

C

G

C

And the days you defend will slowly go

C

So love with your eyes

G

Love with your mind

Am

Love with your whole

F

C

Dare I say forever

C

Do it for yourself

G

Do it for the girl

Am

Do it for you

F

C

Dare I say forever

C

And I ve known pious women

F **Am**

Who have led such secret lives

Am **C**

Shameless in the dark

F **G**

So shameful in the light

C

But you may not be pious

F **Am**

And I may not be safe

Am **C**

But we could live quite happily

F **G**

And quietly unfazed

Am **F** **C**

So if you doubt for the time that you re spending

Am **F** **C**

And if you doubt for the love in your heart

G **F** **C** **F**

Think of London and the girl you re turning

C **G** **C**

And the days you defend will slowly go

C

So love with your eyes

G

Love with your mind

Am

Love with your whole

F **C**

Dare I say forever

C

Do it for yourself

G

Do it for the girl

Am

Do it for you

F **C**

Dare I say forever

(**C** **G** **Am** **F**)

(**C** **G** **Am** **F** **C**)

C

I was dreaming of the Liffey

F **Am**

And I was thinking of the Thames

Am **C**

But now the East River

F **G**

Flows by to the same ends

C

And as they all will pass us

F

Am

They never stopped or cared

Am

C

Are we too sentimental

F

G

To not look back and stare?

Am

F

C

But if you doubt for the time that you re spending

Am

F

C

And if you doubt for the love in your heart

G

F

C

Think of London and the girl you re turning
