

Holland Road  
Mumford & Sons

Capo 2

**F C**  
So I was lost  
**F C**  
Go count the cards  
**F Am**  
Before you go  
**F C**  
To the Holland road  
**F C**  
With your heart like a stone  
**G F**  
You spared no time in lashing out

**F C**  
And I knew your pain  
**F C**  
And the effect of my shame  
**G F C**  
Which you cut me down  
**F C**  
You cut me down

**F C**  
And I will not tell  
**F C**  
The forts of hell  
**G Am**  
That carried me home  
**F C**  
From the Holland road  
**F C G Am**  
With my heart like a stone I ll put up no fight  
**C**  
To your chalice mind  
**F C**  
And from your corner you rose  
**G F C**  
To cut me down  
**F C**  
You cut me down

**F C**  
So I hit my low

**F C G Am**  
Little did I know that would not be the end

**F C**  
From the Holland road

**F C**  
Well I rose and I rose

**G Am**  
I paid less time

**F C**  
To your calas mind

**F C**  
And I wished you well

**G F C**  
As you cut me down

**F C**  
You cut me down

**F C**  
But I still believe

**F C**  
Though there s cracks you ll see

**F C G C**  
When I m on my knees I ll still believe

**F C**  
And when I ve hit the ground

**F C**  
Neither lost nor found

**F C**  
If you ll believe in me

**G Am**  
I ll still believe

**F C**  
But I still believe

**F C**  
Though there s cracks you ll see

**F C G C**  
When I m on my knees I ll still believe

**F C**  
And when I ve hit the ground

**F C**  
Neither lost nor found

**F C**  
If you ll believe in me

**G Am**  
I ll still believe
