

Lover Of The Light
Mumford & Sons

[Verse]

D **D**
And in the middle of night I may watch you go,
D **D**
There ll be know value in strength of walls that I ll have known
Bm **A** **D A G**
There ll be no comfort in the shade of the shadows so,
A Bm **A D**
But I ll be yours if you be mine

D **G** **D**
Stretch out my life and pick the seams out
D **G** **A** **Bm**
Take what you like, but close my ears and eyes
G **D** **A Bm** **A D**
Watch me tumble over and over

D **G** **D**
I have done wrong, so build your tower
D **G** **A** **Bm**
But call me home and I will build a throne
G **D** **A Bm** **A D**
And wash my eyes out never again

[Chorus]

G
But love the one you hold
A
And I ll be your goal
Bm
To have and to hold
D
A lover of the light

[Verse]

D **G** **D**
Skin too tight and eyes like marbles
D **G** **A** **Bm**
You spin me high so watch me as I glide

Before I tumble homeward, homeward
D **G** **D**
Although I tried I was not stable
