[Verse]

G **D**
Your eyes they tie
 G **D**
me down so hard
 G **D** **A** **D**
i ll never learn to put up a guard

 G **D**
my candle bright
 G **D** **A** **D**
learn me hard, oh learn me right

G **D**
this ain t no sham
 G **D**
i am what i am

G **D**
though i may speak
 G **D**
some tongue of old
 G **D** **A** **D**
or even spit out some holy word
 G **D**
i have no strength
 G **D**
from which to speak
 G **D** **A** **D**
when you sit me down, and see i m weak

[Chorus]

G **D**
we will run and scream
 G **D**
you will dance with me
 G **D**
they ll fulfill our dreams
 A
and we ll be free

G **D**
and we will be who we are
 G **D**
and they ll heal our scars
 D **A**
sadness will be far away

[Verse]

G **D**
So as we walked
 G **D**
through fields of green
 G **D** **A** **D**
as the fairest sun i d ever seen
 G **D**
and i was broke
 G **D**
i was on my knees
 G **D** **A** **D**
but you said yes as i said please

G **D**
this ain t no sham
 G **D**
i am what i am

G **D**
i leave no ties
 G **D**
for a cynics mind

[Chorus]

G **D**
we will run and scream
 G **D**
you will dance with me
 G **D**
they ll fulfill our dreams
 A
and we ll be free

G **D**
and we will be who we are
 G **D**
and they ll heal our scars
 G **D** **A**
sadness will be far away
