**Mumford & Sons**

Mumford & Sons - October Skies  
Album: Delta  
Year: 2018

[Intro]

**C F C**

[Verse 1]

**C**  
In the silver light  
**F C**  
I just made out  
**G**  
Your silhouette  
**F Am**  
Through the quickening haze  
**C**  
So brand it on my mind  
**F C**  
So I don't forget  
**G**  
Let it shine  
**F Am**  
On my wandering eyes

[Chorus]

**Am C F C**  
And uuh uuh uuh, your love endures  
**Am C F C**  
And uuh uuh uuh, I have faith for the rest

[Verse 2]

**C**  
I'm blinded by the lights  
**F C**  
Of October skies  
**G**  
These postcard memories  
**F Am**  
Evade my eyes  
**C**  
And in the valley I am free

**F C**  
But in the hills I soar

**G**  
Until your silhouette

**F Am**  
Is gone once more

[Chorus]

**Am C F C**  
But uuh uuh uuh, your love endures

**Am C F C**  
Uuh uuh uuh, I have hope once more

[Instrumental]

**C F C C**

[Verse 3]

**C**  
The fear of what s to come

**F C**  
Has been crippling me

**G**  
So to your silhouette

**F Am**  
I turn once more

**C**  
So brand it on my mind

**F C**  
So I won t forget

**G**  
Let it shine, let it shine

**F Am**  
By my wandering eyes

**G**  
Let it shine, let it shine

**F Am**  
By my wandering eye

[Chorus]

**Am C F C**  
Uuh uuh uuh, your love endures

**Am C F C**  
Uuh uuh uuh, I have hope once more
