**G** **B**  
A fair Irish girl has kept my eyes still  
**C** **G**  
and if she doesn't know I love her she soon enough will  
**G** **B**  
cause I'll head to Heathrow with a rose in my hand  
**C** **G**  
and I'll run it to her as soon as I land  
**G** **C**  
so much to say and so much to share  
**C** **D** Bass walk down  
for one-night lovers or a lifelong pair

**G** **B**  
Susie Susie lead me home  
**C** **G**  
my misguided feet have driven me wrong  
**G** **B**  
I'm a long lost lover and I stand alone  
**C** **D** **G**  
so Susie Susie lead me home

**C,G**

**G** **B**  
 If it stole you eyes  
**C** **G**  
 would you ask them back from me?  
**G** **B**  
 if I wrote you this song  
**C** **G**  
 would you dance to it down Grafton street?  
**G** **B**  
 if whisked you away  
**C** **G**  
 would you weigh light in my arms?  
**G** **B**  
 when we leave this world  
**C** **D** Bass walk down  
 will our love linger on?

**G** **B**  
 Susie Susie lead me home  
**C** **G**  
 my misguided feet have driven me wrong  
**G** **B**  
 I m a long lost lover and I stand alone  
**C** **D** **G**  
 so Susie Susie lead me home

Interlude break:

**F** **C** **G** **G** **B**  
 it wasn t long before I found myself alone at O Donoghue s  
**F** **C** **G** **D**  
 another misadventure by my misguided feet  
**F** **C** **G** **D**  
 I just sat and I hummed this tune as my toes tapped the beat

Let each chord ring:

**G** **B**  
 Susie Susie lead me home  
**C** **G**  
 my misguided feet have driven me wrong  
**G** **B**  
 I m a long lost lover and I stand alone
