

The Cave

Mumford & Sons

I Worked this out by playing the riff and using the root notes to find the chords.

**C#m** **E**  
It s empty in the valley of your heart  
**C#m** **E**  
The sun, it rises slowly as you walk  
**C#m**  
Away from all the fears  
**E** **G#m** **E** **Esus4** **E**  
And all the faults you ve left behind  
**C#m** **E**  
The harvest left no food for you to eat  
**C#m** **E**  
You cannibal, you meat-eater, you see  
**C#m**  
But I have seen the same  
**E** **G#m** **E** **Esus4** **E**  
I know the shame in your defeat

CHORUS

**E** **A** **E**  
But I will hold on hope  
**E** **A** **E**  
And I won t let you choke  
**A** **E** **B**  
On the noose around your neck  
**C#m** **A** **E**  
And I ll find strength in pain  
**C#m** **A** **E**  
And I will change my ways  
**A** **E** **B**  
I ll know my name as it s called again

MIDDLE CHORDS SAME AS CHORUS

Cause I have other things to fill my time  
You take what is yours and I ll take mine  
Now let me at the truth  
Which will refresh my broken mind  
So tie me to a post and block my ears  
I can see widows and orphans through my tears  
I know my call despite my faults  
And despite my growing fears

But I will hold on hope  
And I won t let you choke  
On the noose around your neck

And I ll find strength in pain  
And I will change my ways  
I ll know my name as it s called again

So come out of your cave walking on your hands  
And see the world hanging upside down  
You can understand dependence  
When you know the maker s hand  
So make your siren s call  
And sing all you want  
I will not hear what you have to say

Cause I need freedom now  
And I need to know how  
To live my life as it s meant to be  
And I will hold on hope  
And I won t let you choke  
On the noose around your neck  
And I ll find strength in pain  
And I will change my ways  
I ll know my name as it s called again
