Dm A Gm A
Spare me your judgements and spare me your dreams
Dm A Gm A
Cause recently mine have been tearing my seams
A# Dm*
I sit alone in this winter clarity which clouds my mind

Dm A Gm A
Alone in the wind and the rain you left me
Dm A Gm A
It s getting dark darling, too dark to see
A# Dm*
And I m on my knees, and your faith in shreds, it seems

But plant your hope with good seeds
