

Unfinished Business (White Lies)
Mumford & Sons

C **Em** **C** **Em**
Just me a second darling to clear my head,
C **Em** **C** **Em**
Just put down those scissors baby on the single bed,
C **Em**
The sand in the hourglass is running low,
C **Em**
I came through thunder the cold wind the rain and the snow,
Am
To find you awake by your window sill
G **F** **C**
A sight for sore eyes and a view to kill

C **Em**
I broke down in horror at you standing there,
C **Em**
The glow from the moon shone through cracks in your hair,
C **Em**
I shouted with passion I love you so much ,
C **Em**
But feeling my skin it was cold to the touch,
Am
You whispered where are you? I questioned your doubt,
G **F** **C**
But soon realised you were talking to God now,

Refrão:

F **G**
But you've got blood on your hands,
Am
And I know it's mine I just need more time,
F **G** **Am**
So get off your low let's dance like we used to,
F **G**
And there's a light in the distance,
Am
Waiting for me I will wait for you,
F **G** **C**
So get off your low let's kiss like we used to

Verso 2:

C **Em**
I looked in the mirror but something was wrong,
C **Em**
I saw you behind but my reflection was gone,
C **Em**
There was smoke in the fireplace as white as the snow,

C **Em**
A voice bekoned gently, Now its time to go ,
Am
A requiem played as you begged for forgiveness,
G **F** **C**
Don t touch me I screamed I ve got unfinnished buisness

Refrão:

F **G**
But you ve got blood on your hands,
Am
And I know its mine I just need more time,
F **G** **Am**
So get off your low lets dance like we used too,
F **G**
And there s a light in the distance,
Am
Waiting for me I will wait for you,
F **G** **C**
So get off your low lets kiss like we used too (2x)
