

Unfinished Business (White Lies)

Mumford & Sons

Just me a second darling to clear my head,  
Just put down those scissors baby on the single bed,  
The sand in the hourglass is running low,  
I came through thunder the cold wind the rain and the snow,  
To find you awake by your window sill  
A sight for sore eyes and a view to kill

I broke down in horror at you standing there,  
The glow from the moon shone through cracks in your hair,  
I shouted with passion I love you so much ,  
But feeling my skin it was cold to the touch,  
You whispered where are you? I questioned you doubt,  
But soon realised you were talking to God now,

Refrão:

But you ve got blood on your hands,  
And I know its mine I just need more time,  
So get off your low lets dance like we used too,  
And there s a light in the distance,  
Waiting for me I will wait for you,  
So get off your low lets kiss like we used too

Verso 2:

I looked in the mirror but something was wrong,  
I saw you behind but my reflection was gone,  
There was smoke in the fireplace as white as the snow,

**C** **Em**  
A voice bekoned gently, Now its time to go ,  
**Am**  
A requiem played as you begged for forgiveness,  
**G** **F** **C**  
Don t touch me I screamed I ve got unfinnished buisness

Refrão:

**F** **G**  
But you ve got blood on your hands,  
**Am**  
And I know its mine I just need more time,  
**F** **G** **Am**  
So get off your low lets dance like we used too,  
**F** **G**  
And there s a light in the distance,  
**Am**  
Waiting for me I will wait for you,  
**F** **G** **C**  
So get off your low lets kiss like we used too (2x)
