Unfinished Business (White Lies) - Mumford & Sons

Just give me a second darling to clear my head,
Just put down those sisors baby on the single bed,
The sand in the hourglass is running low,
I came through thunder the cold wind the rain and the snow,
To find you awake by your window sil
A sight for sore eyes and a veiw to kill

I broke down in horror at you standing there,
The glow from the moon shone through cracks in your hair,
I shouted with passion I love you so much ,
But feeling my skin it was cold to the touch,
You whispered where are you? I questioned your doubt,
But soon realised you were talking to God now,

But you ve got blood on your hands,
And I know its mine I just need more time,
So get off your low let s dance like we used too,
And there s a light in the distance,
Waiting for me I will wait for you,
So get off your low let s kiss like we used too

I looked in the mirror but something was wrong,
C **Am**
I saw you behind but my reflection was gone,
C **G**
There was smoke in the fireplace as white as the snow,
C **Am**
A voice beckoned gently, Now its time to go ,
C **G**
A requiem played as you begged for forgiveness,
G **F** **C**
Don t touch me I screamed I ve got unfinnished buisness

C **F**
But you ve got blood on your hands,
C **Am**
And I know its mine I just need more time,
C **G** **C (Am)**
So get off your low let s dance like we used too,
C **F**
And there s a light in the distance,
C **F**
Waiting for me I will wait for you,
C **G** **C (Am)**
So get off your low let s kiss like we used too [x2]
