C# **Bbm** **C#**
Just give me a second darling to clear my head,
 C# **Bbm** **C#**
Just put down those sisors baby on the single bed,
 C# **Bbm**
The sand in the hourglass is running low,
 C# **Bbm**
I came through thunder the cold wind the rain and the snow,
 C# **G#**
To find you awake by your window sil
 G# **F#** **C#**
A sight for sore eyes and a veiw to kill

C# **Bbm**
I broke down in horror at you standing there,
 C# **Bbm**
The glow from the moon shone through cracks in your hair,
 C# **G#**
I shouted with passion I love you so much ,
 C# **Bbm**
But feeling my skin it was cold to the touch,
 C# **G#**
You whispered where are you? I questioned your doubt,
 G# **F#** **C#**
But soon realised you were talking to God now,

C# **F#**
But you ve got blood on your hands,
 C# **Bbm**
And I know its mine I just need more time,
 C# **G#** **C# (Bbm)**
So get off your low let s dance like we used too,
 C# **F#**
And there s a light in the distance,
 C# **F#**
Waiting for me I will wait for you,
 C# **G#** **C# (Bbm)**
So get off your low let s kiss like we used too

C# **Bbm**
 I looked in the mirror but something was wrong,
C# **Bbm**
 I saw you behind but my reflection was gone,
C# **G#**
 There was smoke in the fireplace as white as the snow,
C# **Bbm**
 A voice beckoned gently, Now its time to go ,
C# **G#**
 A requiem played as you begged for forgiveness,
G# **F#** **C#**
 Don t touch me I screamed I ve got unfinnished buisness

C# **F#**
 But you ve got blood on your hands,
C# **Bbm**
 And I know its mine I just need more time,
C# **G#** **C# (Bbm)**
 So get off your low let s dance like we used too,
C# **F#**
 And there s a light in the distance,
C# **F#**
 Waiting for me I will wait for you,
C# **G#** **C# (Bbm)**
 So get off your low let s kiss like we used too [x2]
