

Mexico
Mundy

Just a translated version of gaeilgeboys Irish version of this great song!

And if we go to Mexico **D**
Will it get better? **A**
And all the cracks inside this love **D**
will they heal in the bright weather **A**

I think it s time to have a go **Em**
Before I met her I was low **G**
And she saved me **D A**

All the stupid little crimes **Em**
A thousand million different times **G**
And she forgave me **D A**

Promise me this will get better **G Bm A**
And it will heal in the bright weather **G Bm A**
And as long as were together

Em G D A
I don t mindâ€|

Em G D A
I don t mindâ€|

And if we go to Mexico, **D**
Will it be a new leaf? **A**

D

We ll watch the evening disappear

A

Into the arms of the night thief

Em

Beside a river of sin

G

I was trying to dive in

D A

And she saved me

Em

Forgetting to remember

G

One day in December

D A

And she forgave me

G
