

**To You I Bestow**  
**Mundy**

[Verse 1]

**F#m**

Well you may not see me when you come back

**D**

I could be sharing someone else's pillow

**F#m**

And my love for you is better than diamonds

**D**

To you everything I bestow

**F#m**

And tomorrow I'll be dancing on my own

**D**

And I'll need a kiss for my head that's aching

**F#m**

And I'll be a hungry dog without a bone

**D**

Hoping my place with you's not taken

[Chorus]

**A**

**Bm**

**D**

Kiss me and tell me it's not broken

**A**

**Bm**

**D**

Kiss me and kiss me till I'm dead

**A**

**Bm**

**D**

See I'll give you the stars, from the bruised evening sky

**E**

**F#m**

And a crown of jewels for your head now

**D**

For your head now

**F#m**

**D**

And for your head now, and for your head

[Verse 2]

**F#m**

One last night in bed for a time

**D**

Two more wishes and both are for thine

**F#m**

And three guesses you're the angel's child

**D**

Four hopes that this love's not spoiled

[Chorus]

**A**                      **Bm**                      **D**  
 Kiss me and tell me it s not broken  
**A**                      **Bm**                      **D**

**D**  
 For your head now  
**F#m**                      **D**  
 And for your head now, and for your head

[Verse 3]

**F#m**  
 And if you come back I ll take you to the garden  
**D**  
 We ll dance to an orchestra on the lawn  
**F#m**  
 And we roll in the foggy dew  
**D**  
 And dance with the ghosts upon the dawn and on the dawn and on the dawn  
 Then you ll

[Chorus]

**A**                      **Bm**                      **D**  
 Kiss me and tell me it s not broken  
**A**                      **Bm**                      **D**
