The sky is filling

F

With flocks and swarms

Gm

They burst through the branches

F

They tumble and fall

Gm

Little gods surveying their worlds

F

Examining it all

My wings are dusted

With frost and cold

For a little thing like you

I m too heavy a load

You ll struggle and falter

Amble around

Just follow some other storm

Cause I ll only weigh you down

(F)

Gm

You carry me home

F

My love

Gm

Still you carry me home

F

Little dove

Cm

A change in the winds

Gm

Smoke on the breeze

Bb

The sky is filled

F

With the scent of burning leaves

Cm

The vapors rise

Gm

From the glen in the east

D

Gm

Where the path is clear for you and me

You carry me home

My love

Still you carry me home

Little dove

Gm

You ll ride towards the sun

F

As it guides you home

Gm

But don t be afraid, little bird

F

You aren t alone

Cm

A hoard of friends

Gm

Will keep darkness at bay

D

You re the needle

Gm

In the hay

Cm

I ll take you with a steady hand

Gm

Make the seam reborn

D

The rip will be sewn up again

D

By the same hand that had it torn

You carry me home

My love

Still you carry me home

Little dove

Still you carry me home

My love

Still you carry me home

Little dove

G F x2 / C G D G

Gm

Hear it approaching

F

The shuffle of feet

Gm

The clamor of metal

F

And hounds in heat

Cm

We ll steal away

Gm

To the glen in the east

D

Where the path is clear

Gm

For you and me
