With flocks and swarms

Fm

They burst through the branches

Eb

They tumble and fall

Fm

Little gods surveying their worlds

Eb

Examining it all

My wings are dusted

With frost and cold

For a little thing like you

I m too heavy a load

You ll struggle and falter

Amble around

Just follow some other storm

Cause I ll only weigh you down

(**Eb**) **Fm**

You carry me home

Eb

My love

Fm

Still you carry me home

Eb

Little dove

Bbm

A change in the winds

Fm

Smoke on the breeze

G#

The sky is filled

Eb

With the scent of burning leaves

Bbm

The vapors rise

Fm

From the glen in the east

C

Fm

Where the path is clear for you and me

You carry me home

My love

Still you carry me home

Little dove

Fm

You ll ride towards the sun

Eb

As it guides you home

Fm

But don t be afraid, little bird

Eb

You aren t alone

Bbm

A hoard of friends

Fm

Will keep darkness at bay

C

You re the needle

Fm

In the hay

Bbm

I ll take you with a steady hand

Fm

Make the seam reborn

C

The rip will be sewn up again

C

By the same hand that had it torn

You carry me home

My love

Still you carry me home

Little dove

Still you carry me home

My love

Still you carry me home

Little dove
