

**Good Morning Magpie
Murder by Death**

Intro:

Am G x2 / Dm Am C G / Dm Am E Am

Am

A seam across the sky

G

As if it was torn

Am

The sky is filling

G

With flocks and swarms

Am

They burst through the branches

G

They tumble and fall

Am

Little gods surveying their worlds

G

Examining it all

My wings are dusted

With frost and cold

For a little thing like you

I m too heavy a load

You ll struggle and falter

Amble around

Just follow some other storm

Cause I ll only weigh you down

(G) **Am**

You carry me home

G

My love

Am

Still you carry me home

G

Little dove

Dm

A change in the winds

Am

Smoke on the breeze

C

The sky is filled

G

With the scent of burning leaves

Dm

The vapors rise

Am

From the glen in the east

E

Am

Where the path is clear for you and me

You carry me home

My love

Still you carry me home

Little dove

Am

You ll ride towards the sun

G

As it guides you home

Am

But don t be afraid, little bird

G

You aren t alone

Dm

A hoard of friends

Am

Will keep darkness at bay

E

You re the needle

Am

In the hay

Dm

I ll take you with a steady hand

Am

Make the seam reborn

E

The rip will be sewn up again

E

By the same hand that had it torn

You carry me home

My love

Still you carry me home

Little dove

Still you carry me home

My love

Still you carry me home

Little dove

A G x2 / D A E A

Am

Hear it approaching

G

The shuffle of feet

Am

The clamor of metal

G

And hounds in heat

Dm

We ll steal away

Am

To the glen in the east

E

Where the path is clear

Am

For you and me
