G#

C#

```
Lost River
Murder by Death
Capo 1
Verse 1:
           C#
                     G#
Hush now creature, dry your eyes.
          C#
                         G#
I know a place where a body can hide.
               C#
                              G#
Ooh, I know a place where a body can hide.
Verse 2:
G#
              C#
                            G#
                                      C#
Last time I saw you, our table was bare.
                   C#
                             G#
If you hurry and join me, I will lead you there.
                  C#
                             G#
Sink beneath the water and sink in to the deep,
                 C#
                                   G#
                                                      C#
In a pond just off the road that feeds this muddy creek.
                   C#
Ooh, in a pond just off the road that feeds this muddy creek.
Chorus:
Though my days are over,
G#
You know where I ll be,
          Cm
               Fm
Swim that lost river to me…
                    C#
Though my days are done,
    G#
The waters will always run,
          Cm
               Fm
Swim that lost river to me…
Interlude: G# C# x4
Verse 3:
            C#
                   G#
Though I m gone, don t be afraid,
            C#
We ll meet again on the river someday.
                  C#
                              G#
The croak of the frogs will lead you true,
```

G#

C#

```
Wear a skirt of greenstone, so I know it s you.
G#
                 C#
                                 G#
                                                   C#
Wear a skirt of greenstone, to drag you to the blue.
Chorus:
G#
                    C#
Though my days are over,
You know where I ll be,
          Cm
               Fm
                        G#
Swim that lost river to meâ€|
                    C#
Though my days are done,
    G#
The waters will always run,
          Cm Fm C#
Find that la- la- lost riverâ€| find me!
Interlude:
G# C# G# G#
G# C# G# G#
C#
G#
          C#
                       G#
Lay your head on the river bed,
                 C#
                            G#
Drink from the river and find your way to me.
                C#
                             G#
Ooh, rest your head on the river bed,
                 C#
                            G#
                                               C#
Drink from the river and find your way to me…
x 2
     G#
                     C#
                                G#
                                                   C#
Ooh, drink from the river and find your way to me
                     C#
                                G#
                                                   C#
Ooh, drink from the river and find your way to me
     G#
Ooh, drink from the river
```
