

**Lost River**  
**Murder by Death**

Capo 1

Verse 1:

**F**            **Bb**            **F**            **Bb**  
Hush now creature, dry your eyes.  
**F**            **Bb**                    **F**            **Bb**  
I know a place where a body can hide.  
          **F**            **Bb**                    **F**            **Bb**  
Ooh, I know a place where a body can hide.

Verse 2:

**F**            **Bb**                    **F**            **Bb**  
Last time I saw you, our table was bare.  
**F**                            **Bb**            **F**                    **Bb**  
If you hurry and join me, I will lead you there.  
**F**                            **Bb**            **F**                    **Bb**  
Sink beneath the water and sink in to the deep,  
**F**                            **Bb**                            **F**                            **Bb**  
In a pond just off the road that feeds this muddy creek.  
          **F**                            **Bb**                            **F**                            **Bb**  
Ooh, in a pond just off the road that feeds this muddy creek.

Chorus:

**F**                            **Bb**  
Though my days are over,  
**F**                            **Bb**  
You know where I ll be,  
          **Am** **Dm**            **F**  
Swim that lost river to meâ€|  
**F**                            **Bb**  
Though my days are done,  
          **F**                            **Bb**  
The waters will always run,  
          **Am** **Dm**            **F**  
Swim that lost river to meâ€|

Interlude: **F Bb** x4

Verse 3:

**F**            **Bb**            **F**            **Bb**  
Though I m gone, don t be afraid,  
**F**            **Bb**                    **F**            **Bb**  
We ll meet again on the river someday.  
**F**                            **Bb**                            **F**                            **Bb**  
The croak of the frogs will lead you true,  
**F**                            **Bb**                            **F**                            **Bb**
