

# Until Morale Improves The Beatings Will Continue Murder by Death

Artist: Murder By Death

Song: Until Morale Improves, The Beatings Will Continue

Album: Who Will Survive and What Will Be Left of Them

Tuning: Standard (Eadgbe)

This song is fairly simple to play just acoustically and doesn't sound too bad (although cello, piano, and drums add a lot to it). Each time a chord is marked during the verse strums up semi-slowly first before just strumming the chord.

Intro: **Em Cmaj7** X2

Verse:

**Em** **Cmaj7**  
I walked the road from Tucson to San Antonio  
**Em** **Cmaj7**  
With the smell of blood on my breath  
**Em** **Cmaj7** **Em**  
Ninety days of sweat and dirt feels like one night  
**Cmaj7**  
When you've got nothing left

Interlude I: same as the Intro

**Bm** **Am** **Em**  
Till there's nothing left to do but die

Chorus:

**Em** **Bm** **D** **C** **Em**  
Buckshot is my bread and I'll drink whiskey instead of water  
**Bm** **D** **C**  
Cause I can't stand to be sober in this place  
**Em** **Bm** **D** **C** **Em**  
Your hands on my face every step of the way  
**Bm** **D** **C**  
Tryin' to peel away the pain

Interlude II:

**Em - Cmaj7 - Em - B - Em - G D/F# - Em - C D** (repeat)  
**Am - Em - Am - Em - Fmaj7 - Em - Bm**

REPEAT CHORUS

**Em** **Cmaj7**  
I ll drink whiskey instead of water. (repeat 4 times and end on Cmaj7)
