

**Cant Tell You No  
Muscadine Bloodline**

[Verse 1]

**C#**

I can tell you took a little longer with your make up

**F#**

I can tell you when you wake up you don t need to do a thing

**C#**

I can tell you whose left standing on the bachelor

**F#**

I can tell you there ll be laughter from my buddies makin fun of me

[Chorus]

**C#**

I got no problem staying in

**F#**

Don t mind blowing off my friends

Now and then it s like

I don t even wanna to go

**C#**

When you look at me

**F#**

That way there s that one word I can t say

Girl I know you know

**C#**

I can t tell you no

[Verse 2]

**C#**

Oh I can tell you you want to dance slow in the kitchen

**F#**

So I can tell you that you re fixing to see my two right or two left feet

[Chorus]

**C#**

I got no problem staying in

**F#**

Don t mind blowing off my friends

Now and then it s like

I don t even wanna to go

**C#**

When you look at me

**F#**

That way there s that one word I can t say

Girl I know you know

**C#**

I can t tell you no

[Bridge]

**C#**

Whatever you want to do

Whatever you listen to

(I can t tell you no)

Wherever you want to go

Girl you already know

**F#**

Whatever you want to do

Whatever you listen to

Wherever you want to go

[Chorus]

**C#**

I got no problem staying in

**F#**

Don t mind blowing off my friends

Now and then it s like

I don t even wanna to go

**C#**

When you look at me

**F#**

That way there s that one word I can t say

Girl I know you know

I can t tell you no

**C#**

**F#**

Oh I can t tell you no

**C#**

Oh I can t tell you no
