```
Aftermath
Muse
Intro: Em D Am C G5 D
\mathbf{E}\mathbf{m}
 War is all around
 I m growing tired of fighting
Am
I ve been drained and
          G5
  I can t hide it
Em
  But I have strength for you
D
  You re all that s real anymore
Αm
   I am coming home
                       G5 D
  I need your comfort
Chorus:
From this moment
                                    G/C#
From this moment
                                  G
You will never be alone
                              D
We re bound together
                    C
Now and forever
                                    G
Cm
The loneliness has gone
Instrumental:
Em D Am C G5 D
Em
  States are crumbling and
  Walls are rising high again
Am
  It s no place
                  G5 D
  For the faint hearted
Em
  But my heart is strong
```

```
Because now I know where I belong
Am
 It s you and I against the world
              G5 D
 We are free
Chorus:
From this moment
                                  G/C#
From this moment
                                  G
You will never be alone
                              D
We re bound together
                    C
Now and forever
                                  G
Cm
The loneliness has gone
Instrumental (Guitar Solo):
Em D Am C G5 D (2x)
Em
 We ve gone against the tide
 All we have is each other now
Am
 I m coming home now
                       G5 D
 I need your comfort
Chorus: (3x)
From this moment
                    G/C#
From this moment
                                   G
You will never be alone
                             D
We re bound together
Now and forever
                                  G
The loneliness has gone
Outro:
                            D
Bound together
                    C
Now and forever
                                 G
Cm
The loneliness has gone
```
