Dead Inside
Muse

Intro: (**Bbm**)

Bbm   **C#**
Reve-re a million pra-yers
       G#   **Bbm**
And draw me into the holiness
                          C#
But theres nothing there
              G#
Light only shines
                        Bbm
From those who share

Bbm   **C#**
Unle-ash a million dro-nes
         G#   **Bbm**
And confine me then erase me babe
                      C#
Do you have no soul
                G#   **F#**
Its like it di-ed long ago

F#   **Fm**   **Bbm**
Your lips feel warm to the touch
            G#   **F#**
You can bring me back to li-fe
          Fm   **Ebm**   **F#**
On the outside you re ablaze and alive
        G#
But you re Dead Inside!

(**Bbm**   **C#**   **G#**) (2x)

Bbm   **C#**
You re fre-e to touch the sk-y
         G#   **Bbm**
Whilst I am crushed and pulverised
                          C#
Because you need control
            G#   **Bbm**
Now I m the o-ne letting go

Bbm   **C#**
You li-ke to give an in-ch
         G#   **Bbm**
Whilst I am giving infinity
                              C#

But now I ve got nothing left
    G#
You have no cares
    F#
And I m bere-ft

F# **Fm**   **Bbm**
Your skin feels warm to caress
   G#   **F#**
I see magic in your eyes
    Fm   **Ebm**   **F#**
On the outside your ablaze and alive
   G#
But you re dead inside!

(**Bbm**)

Ponte: **Bbm** **F#** **C#** **G#**

Bbm
Feel me now
 F#
Hold me please
  C#   **G#**
I need to see who I am
   Bbm
Open up to me
   F#
Stop hiding from me
   C#
Its hurting babe
   G#   **Bbm**
Only you can stop the pa-in
    F#   **C#**
Don t lea-ve me o-ut in the cold
   G#   **Bbm**
Don t leave me out to die
    F#
I gave you everything
     C#
I can t give you anymore
     G#   **F#**
Now I ve become just like you

F# **Fm**   **Bbm**
My lips feel warm to the touch
   G#   **F#**
My words seem so ali-ve
  Fm   **Bbm**
My skin is warm to caress
    G#   **F#**
I ll control and hypnotise
       Fm   **Bbm**

You ve taught me to lie without a trace
        G#   F#
and to kill with no remorse
          Fm   Ebm   F#
On the outside I m the greatest guy
      G#
Now I m dead inside!

(**Bbm**)
