Muse**

Tabbed by: Erik Furlanis *

there s only a low-quality mp3 of this song. it may get very strong differences
day by
day cos, as already said,it s a brand new song still to be ready.

you d better play it with a 24-fret guitar!

intro/verse: repeat a lot of time
bridge: repeat twice
chorus: only one
verse: repeat another lot of time
chorus: only one
solo: the solo starts from the intro line, and continues in some
bendings
etcetc.. haven t tabbed it out!

hope it suits quite well!!
