

Exogenesis Symphony Part 2 Cross-Pollination Muse

Second part of the famous symphony

If you want to learn the piano parts, there are some pretty good tutorials on youtube. I just thought some of you may like the chords to the singy bit. Enjoy.

Fm **Cm** **C** **Fm**
Rise above the crowds, wade through toxic clouds

C# **D#** **C** **C#**
Breach the outer sphere, the edge of all our fears

G# **G#aug**
Rest with you

G# **G#aug** **C**
We are counting on you, it s up to you

Cm **G** **Cm** **Fm** **Cm** **G**
Spread our codes to the stars, you must rescue us all

Cm **G** **Cm** **Fm** **Cm** **G**
Spread our codes to the stars, you must rescue us all

D# **A#** **D#** **G#** **D#** **G**
Tell us, tell us your final wish now we know you can never return

D# **A#** **D#** **G#** **D#** **G** **Cm**
Tell us, tell us your final wish - we will tell it to the world
