

Exogenesis Symphony Part 2 Cross-Pollination Muse

Second part of the famous symphony

If you want to learn the piano parts, there are some pretty good tutorials on youtube. I just thought some of you may like the chords to the singy bit. Enjoy.

Em **Bm** **B** **Em**
Rise above the crowds, wade through toxic clouds

C **D** **B** **C**
Breach the outer sphere, the edge of all our fears

G **Gaug**
Rest with you

G **Gaug** **B**
We are counting on you, it s up to you

Bm **F#** **Bm** **Em** **Bm** **F#**
Spread our codes to the stars, you must rescue us all

Bm **F#** **Bm** **Em** **Bm** **F#**
Spread our codes to the stars, you must rescue us all

D **A** **D** **G** **D** **F#**
Tell us, tell us your final wish now we know you can never return

D **A** **D** **G** **D** **F#** **Bm**
Tell us, tell us your final wish - we will tell it to the world
