

[Verse 2]

**Dm**            **Bb**                    **F**  
In our heads, a million voices scream and shout  
**Dm**            **Bb**                    **F**  
And no one will ever hear a sound  
**Dm**            **Bb**                    **F**  
Oh, only you can hush it  
**Dm**  
And calm the turmoil and the noise  
**Bb**                                    **F**  
And help me reach the higher ground

[Pre-Chorus 1]

**A**                    **Dm**  
I see a change on the horizon  
**Bb**                    **C**  
Reasons to be frightened  
**A**                    **Dm**  
There s nothing we can t get through  
**Bb**                    **C**  
I am here to tell you

[Chorus]

**F**                    **Am**  
To get up and fight  
**Dm**                    **C**  
Get up and fight  
**Bb**                                    **C**  
I can t do this thing without you  
**Bb**                                    **C**  
I m lost in this without you  
**F**                    **Am**  
Get up and fight  
**Dm**                                    **C**  
We ve gotta get up and fight  
**Bb**                                    **C**  
I can t handle this without you  
**Gm**                    **Bb**  
Can t do it without you

[Instrumental]

**F Dm Bb C**

[Bridge]

**F**                    **Am**  
Get up and fight
