

## Guiding Light

Muse

**C** **Am**  
When pure Hearts and stumble  
**F** **G4 G**  
In my hands they crumble  
**Am C/B** **C** **F**  
And fragile and stripped to the core  
**C** **G C**  
I can t hurt you anymore

**C** **Am**  
Loved by numbers  
**F** **G4 G**  
You loosing, life s wonder  
**Am C/B C** **F**  
And touch like strangers detached  
**C** **G C**  
I can feel you anymore

**F G** **Am** **F**  
And sunshine, trapped in our hearts  
**C**  
It could rise again  
**F** **G**  
But I m lost and crushed  
**Am** **F** **Dm** **G** **C**  
I m cold and confused with no guiding light left inside

**F/C** **C**  
You were guiding, light, oooh oooh ooh woah

(guitar solo) ( **C Am F G4 G** )

**Am C/B C** **F C G C**  
Ho, Ho, Ho, Haaaaaaaaa

**F G** **Am** **F** **C**  
And come from and won t come befouled I still reach for you  
**F** **G**  
But I m lost and I m crushed  
**Am** **F** **Dm** **G** **C**  
I m cold and confused but not guiding light left inside

**F/C** **C**  
You re my guiding, light  
**F/C** **C**  
You re my guiding, light  
**F/C** **Fm** **C**

There is no guiding, light left inside

**F/C      Fm      C**

There s no guiding light in us
