Intro: B5 | Riff 1 | Riff 2

B guitarra começa segurando A5 enquanto o baixo faz o Riff 1. Depois, os dois tocam o Riff 1 até a entrada da bateria, onde começa o segundo riff.

```

B5                                     G5
Take me for a ride  Break me up and steal what s left inside
                                     E5                                     B5
And hope and pray iniquity has died inside and left a scar.
B5                                     G5
I m on red alert Bring me peace and wash away my dirt
                                     E5                                     B5
Spin me round and help me to divert and walk into the light

```

Em
Warm my heart tonight
C
Hold my head up high
Am Em
Help me to survive

B5 G5
Kick me when I m down. Feed me poison, fill me till I drown
E5 B5
Wake me up before I get pushed out and fall into the night

Em
Warm my heart tonight (force me to lose control)
C
Hold my head up high (watch as I lose my soul)
Am Em
Help me to survive (push me until I fall)

Final (eles voltam a repetir a 1ª parte da introdução):

A5 (Matt dá uns harmônicos antes de tocar o riff) | Riff 1 | C5 A5
