

## Neutron Star Collision Muse

It is played in E standard with capo in 1st fret

**B Ebm E F# F#7**  
I was searching, you were on a mission  
**B Ebm E F# F#7**  
Then our hearts combined like, a neutron star collision  
**F# G G#m F#/B B**  
I have nothing left to lose, you took your time to choose  
**Ebm E F# F#7**  
Then we told each other, with no trace of fear that

Chorus:

**E G B Eb**  
Our love, would be forever  
**E G B Eb**  
And if we die, we die together  
**E G B Eb**  
Well I, I said never  
**E G B Eb**  
Cause our love, would be forever

**B Ebm E F# F#7**  
The world is broken, halos fail to glisten  
**B Ebm E F# F#7**  
We try to make a difference, but, no one wants to listen  
**F# G G#m F#/B B**  
Hail the preachers, fake and proud, their doctrines will be cloud  
**Ebm E F# F#7**  
Then they ll dissipate, like snowflakes in an ocean

Chorus:

**E G B Eb**  
Love, is forever  
**E G B Eb**  
And weâ€™ll die, weâ€™ll die together  
**E G B Eb**  
Well I, I said never  
**E G B**  
Cause our love, could be forever

Guitar Solo:

**B Ebm E F# F#7**  
**B Ebm E F# F#7**  
**F# G G#m F#/B B**  
Now Iâ€™ve got nothing left to lose, you take your side to choose

**Ebm E F#**  
I can tell you now, without a trace of fear

Chorus:

**E G B Eb**  
That my love, will be forever  
**E G B Eb**  
And well die, weâ€™ll die together  
**E G B Eb**  
Will I, I will never  
**E G Bsus4 B**  
Cause our love, will be forever

Piano Solo:

**E B F#m B**  
**E B F#m B**  
**Ebm E Em B**  
**Ebm E Em B**
