Overdue

Muse A G D Am Am7 G Am Am C You needed it when I was away, and no matter what I say, You ll never forget when I wasn t there, so why should I care, Am C I m young but I know that I m aroused. G D D Α You know that I care, you should have been there, You know that I care, you should have been there. Am Am7 C G Am It doesn t matter where I have gone, I just can t afford to, Pay for all the mistakes that you have made, it s about time I was paid. Е I m young but I know that I m aroused. D D You know that I care, you should have been there, You know that I care, you should have been there, You know that I care, you should have been there, You know that I care, you should have been there, You know that I care, you should have been there,

You know that I care, you should have been there.
