Wait just a while  
**C# Cm B Eb**  
And I ll greet you with a smile

**Eb** **Bbm**  
Hold me cos I m sure I hated  
**Eb** **Bbm**  
Promises they are overrated  
**C# Cm Ebsus2 Eb**

While I m drowning in denial

**C#** **Bbm**  
Turn me into someone like you  
**C#** **Bbm**  
Find a place that we can go to

Run away and take me with you  
**C#** **Bbm** **Eb**  
Don t let go I need your rescue

Watch me cos I m on a mission
