Verse 1
Bb
Race, life s a race
        Ebm
I m gonna win
            F#
Yes I m gonna win
              B
And I lit the fuse
            F#
And I ll never lose
                Bb
And I choose to survive
            Bb
Whatever it takes
              Ebm
You won t put ahead
                F#
I ll keep up the pace.
              B
And I reveal my strength
            F#
To avoid human race
          Bb
Yes I am prepared
        Bb
To stay alive
              Ebm
And I won t forgive
            F#
Vengeance is mine
                B
And I won t give in
                  F#
Because I choose to thrive
                  Bb
Yeah we re gonna wiiin~

Verse 2
Ab
Race, it s a race
        Dbm
And I m gonna win
            E
Yes I m gonna win
                A
And will I lit the fuse
                E
And I ll never lose
                    Ab
And I choose to survive
                Ab
Whatever it takes
                Dbm
You won t ahead
                    E
 Cause I ll keep up the pace.
                A
And I reveal my strength
                E
To the whole human race
            Ab
Yes I will wiiin~!
