Em  
 This means nothing to me  
 Am  
 Cause you are nothing to me  
 B7  
 And it means nothing to me  
 Em  
 That you blew this away

Cause you could have been number one  
 If you only found the time  
 And you could have ruled the whole world  
 If you had the chance

Refrão:

Em  
 You could have been number one  
 Am  
 And you could have ruled the whole world  
 B7 Am  
 And we could have had so much fun  
 Em  
 But you blew it away

Solo:

Em Am B7 Am Em
