Mustard Plug - Mr. Smiley
tabbed by PJ

All the chords in the song are skanky, thats the same as syncopated, I = think :P

I think www.guitarfret.com has a very good lesson on playing ska guitar = they even have a short video showing how to do it. It s very simple once = you get it.

Intro:

e-----9-9~-----1010~-----77~ x2
B----77~-----1010~-----1212~-----88~
G----77~-----
D-----7~-----9~-----5~----
A-5~-----

D A Bm G x2

e-5---5---7---3
B-7---5---7---3
G-7---6---7---4
D-7---7---9---5
A-5---7---9---5
E-5---5---7---3

Verse:

Same fingerings for the chords as in the intro

D A Bm G x4

Chorus:

Same chords, but ska fingerings. You could always just play the same = chords and just play the top 4 strings harder.

D A Bm G

e-2--5--7--3 x4
B-3--5--7--3
G-2--6--7--4
D-4--7--9--5 (optional, you don t have to play the notes on the D = string)

Bridge:

Bass solo for 4 bars then

G-7~--6~--7~--4~--2~----- (this is played w/ horns)
D-----2-0~

and D A Bm G w/ horn solo on top for 8 bars

End:

in the end everything stops and the bass plays

D-0-0-54~
