## Goodbye MuteMath

We don t have to try running from each other

I read your eyes, you don t have to bother

Maybe we ll survive if we don t discover Em

One life ties to another

BmEm

Cause the world won t turn if the sun won t rise

 $\mathbf{E}\mathbf{m}$ C BmBm

And the stars won t burn in a broken sky

BmEm

And the wind won t surf if the ocean s dry

BmEm

And my heart won t work if you say goodbye

Bm $\mathbf{Em}$ 

If you say goodbye, if you say goodbye

If you say goodbye my heart s in trouble

I d rather die holding one another

Your hand in mine, it s easier to suffer

I understand why the world is out of color F:m
