[Intro] **Dm G C C7**

Dm G

I m happy for you

C

I m smiling for you

C7

I d do anything

Dm

For you for you

G

It s always for you

C

And never for me

C7

And I need it to stop

Dm

So let me tell you please

G

I m always sad

C

And I m always lonely

C7

But I can t tell you

Dm

That I m breaking slowly

G

Closed doors

C

Locked in, no keys

C7

Keeping my feelings hidden

Dm

There is no ease

G

I need it to stop

C

And i want to be able

C7

To open up, but

Dm

My feelings are fatal

C

(My feelings are fatal)

Dm

G

How many times

C

Must i keep it inside

C7

I need to let go

Dm

And i swear that i ve tried

G

But opening up

C

Means trusting others

C7

And that s just too much

Dm

I don t want to bother

G

So i ll keep it inside

C

And bury it deep

C7

I know it s not healthy

Dm

but you won t hear a peep

G

Though i m always sad

C

And I m always lonely

C7

But I can t tell yoU

Dm

That I m breaking slowly

G

Closed doors

C

Locked in, no keys

C7

Keeping my feelings hidden

Dm

There is no ease

G

I need it to stop

C

And i want to be able

C7

To open up, but

Dm G C C7

My feelings are fatal

Dm G C C7
