

Seasonal Depression

mxmtoon

G **G7** **C** **Cm**
I just don't see a whole lot of sun
G **D** **G**
And lately I just can't seem to have any fun
G **G7** **C** **Cm**
I look outside my window
G **D** **G**
It's so dark I feel my eyes begin to close

G **G7**
Seasonal depression's
C **Cm**
Got me sleeping off the days
G **D** **G**
And I've wasted all my time feeling grey

G **G7**
When the sun peeks out I sit outside
C **Cm**
To bask in my tiny bit of light
G **D** **G**
To warm, the cold that I feel inside

G
Been locked up in here
G7
With the rain coming down
C
I tried to fool myself
Cm
To lift up my frown
G **D** **G**
But a cup of tea and a nap don't solve my problems
G
I don't like LA
G7
Cept for tacos and Venice
C
But God I would move
Cm
Get some rays and play tennis
G **D** **G**
And tell my Lyft driver to turn up the volume

G **G7**
Seasonal depression's
