

## Bad Hair Day

Mxxpx

Here is what the guitar plays at the beginning

```
G|---4-4-4-4-5--5|---4-4-4-4-5--5|
D|---5-5-5-5-5--5|---5-5-5-5-5--5|
```

they play that while singing this: (the notes listed are what the bass plays)

```
G
I m sorry I can t relate
                B
I refuse to associate
A                C
So don t go blaming me
            G        C    G C
for your bad hair day
        G    C    G C
bad hair day
```

Play the riff:

```
G        B        G    B
I saw you yesterday
        G                B    G    B
You told me to go away
A                C
I guess you were having
        G    C    G C
a bad hair day
        G    C
bad hair day
A                C
I guess you were having
        G    C    G C
a bad hair day
        G    C    G    C
bad hair day
```

Solo:

Bass:

```
E|-----3/15-15-15-----|
```

Guitar:

```
G|----7-7-7----|
D|----7-7-7----|
```

\*Play the bass part first, then the guitar part. You ll have to listen to the

song before you have the slightest idea what the heck I am talking about.

A C

Would you like some aspirin

G C G C

for your bad hair day

G C G C

bad hair day

```

A                                     C
Would you like some aspirin
                                G   C   G   C
for your bad hair day
    G   C   G   C
bad hair day
(end on G)

```
